Fresh, wholesome cuisine served in serene settings—from beachside breakfasts to sunset dinners on the lagoon. Each meal is a chance to connect, reflect, and savour the island's natural bounty.

Floating at the center of the lagoon, The Moon sets the stage for serenity. Start the day with sunrise yoga surrounded by calm waters, and end it with nourishing culinary experiences under the stars. A space designed to reconnect—mind, body, and palate.

THE ATOLL

Pure bliss

Nukutepipi is a mysterious island hidden deep within the Pacific Ocean, where only the fortunate few have ever set foot. Its crystal-clear lagoon, framed by white sand beaches and lush greenery, is one of the world's most exclusive and enigmatic escapes.

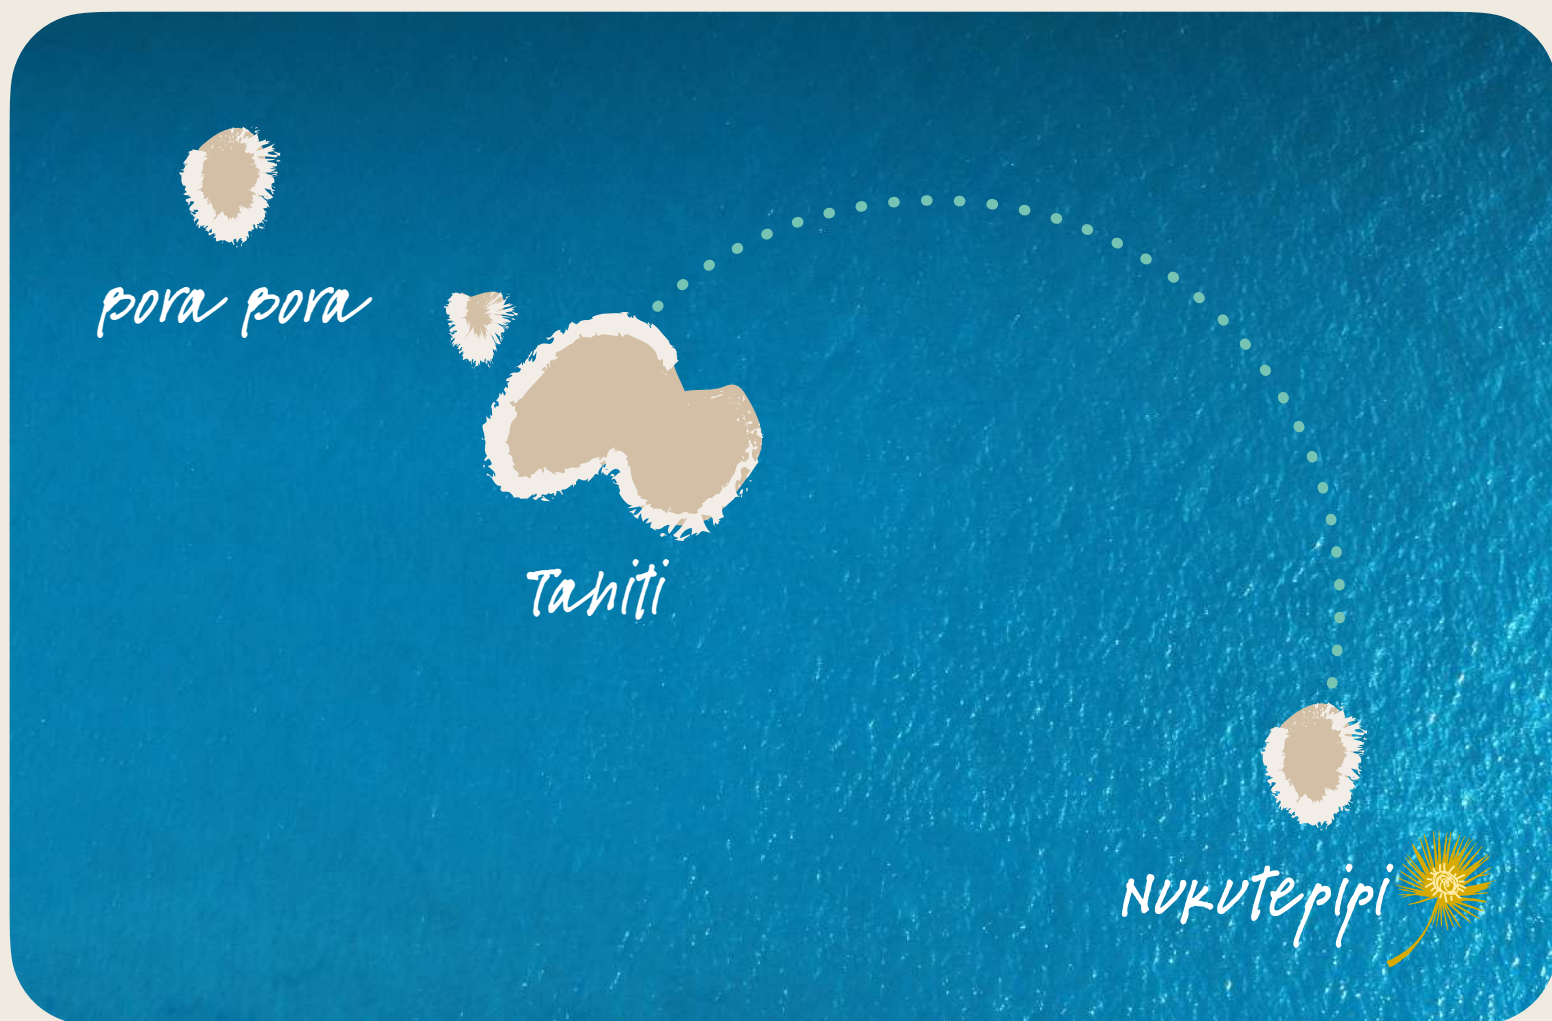

For years, this secret haven has been reserved solely for its founder and a select few—until now.

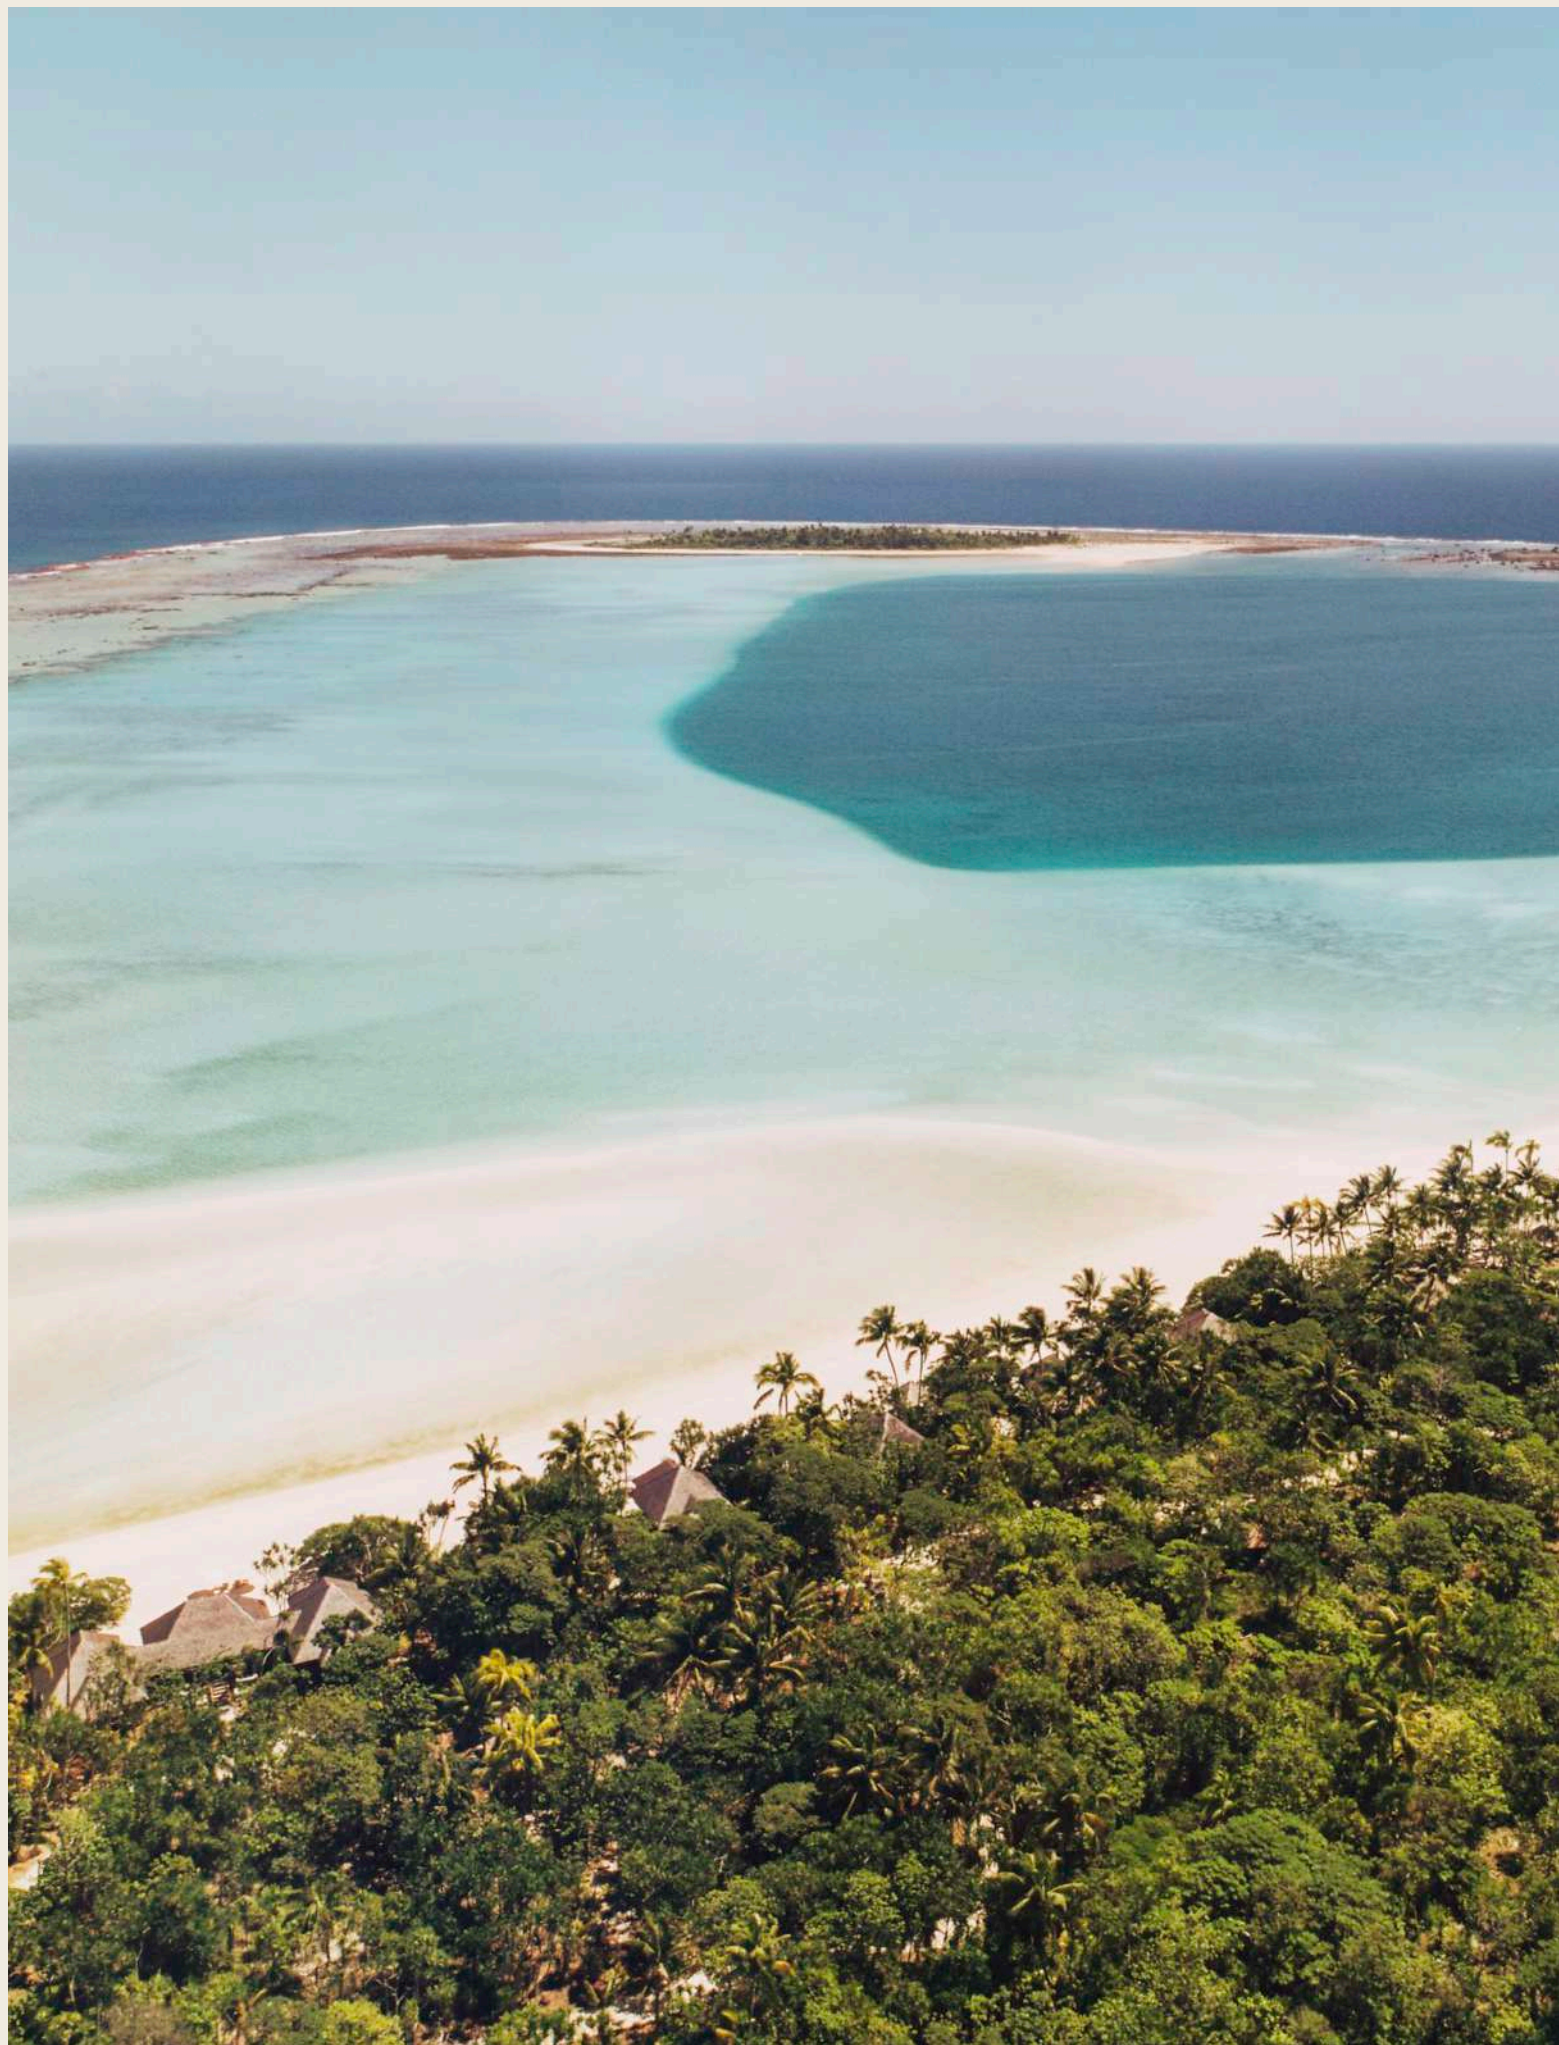

Reaching paradise

Nukutepipi is located 6,000 km from the closest continent and less than 1,000 km from Bora Bora and Tahiti. It is the seventh smallest atoll of the French Polynesia Tuamotu Archipelago and measures approximately 5.6 km.

To reach the island, there are year-round direct flights to Tahiti from Los Angeles, San Francisco, Seattle, Honolulu, Paris, Tokyo and Auckland.

Transfers to and from Tahiti (via Papeete domestic airport) to Nukutepipi are provided by private chartered flights.

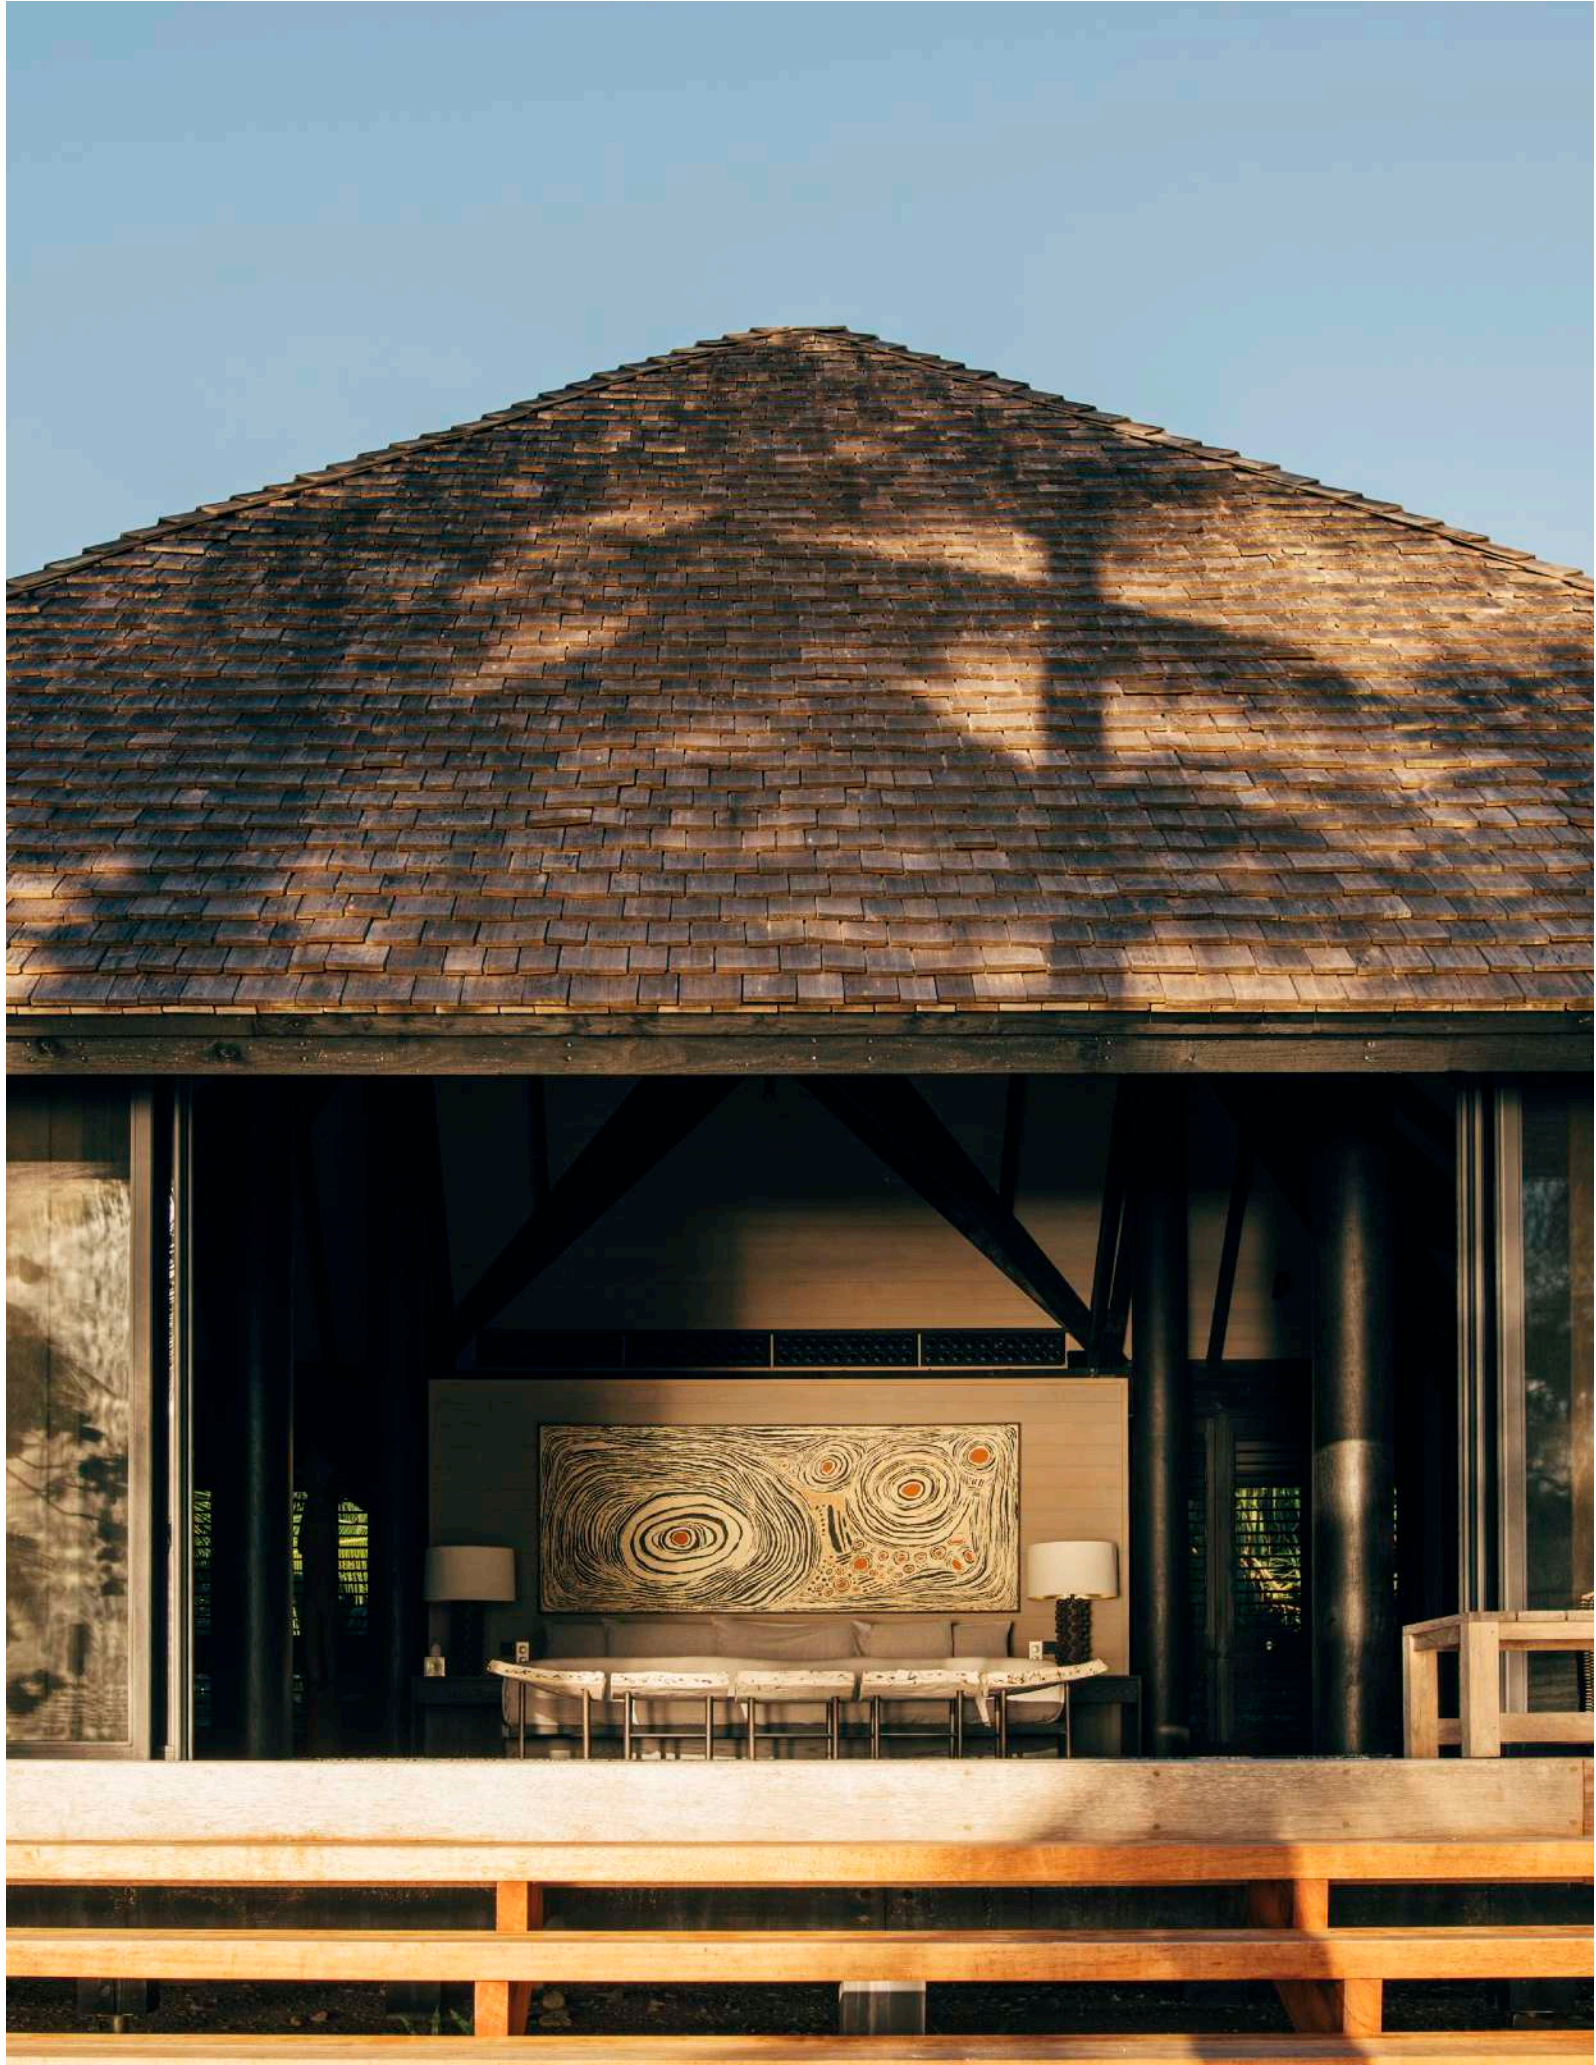

ACCOMODATIONS

Luxury that feels like home

Nukutepipi's accommodations were crafted not just for comfort, but for connection — to nature, to stillness, and to yourself. Every villa and bungalow is designed to blend seamlessly into the island's raw beauty, while offering all the warmth and ease of home.

From ocean views to private terraces, thoughtful details turn every space into a personal retreat, where luxury is effortless and deeply felt.

Above the trees, Beneath the stars

For a night unlike any other, choose to sleep at the very top of Nukutepipi's jungle lookout. Surrounded by nature and open sky, you'll fall asleep to the sounds of the island and wake with the sun rising over the Pacific, birds circling gently around your perch. With no mosquitoes and only the breeze for company, it's a rare kind of peace—raw, elevated, unforgettable.

LIFE ON THE ISLAND

Moments made to remember

From sunrise rituals to starlit celebrations, every experience on Nukutepipi is designed to awaken the senses and stir the soul.

Whether you seek quiet reflection or bursts of adrenaline, the island offers a curated mix of wellness, exploration, and celebration.

Flavour meets freedom

Nukutepipi offers a high-end culinary experience that pleases everyone, from locals to the most discerning palates. While the island has preserved its Polynesian culinary traditions, it also offers a wide variety of cuisines that tantalize the senses.

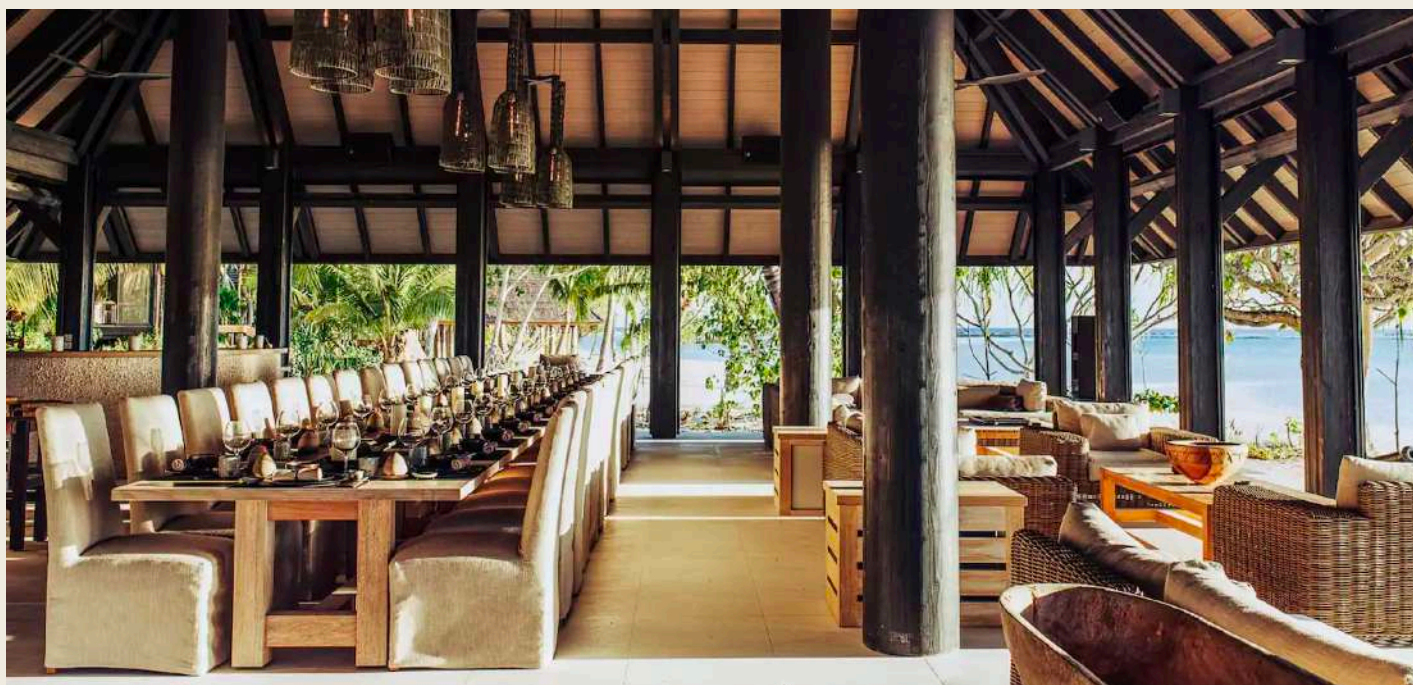

Dining

Each dinner presents a unique theme that inspires the food, transforming each meal into a captivating culinary journey. Additionally, a food truck allows for culinary experiences at various locations across the island, from the lush jungle to the serene waterfront, ensuring that every dining moment is both unique and immersive.

At Nukutepipi, dining is designed to bring people together. Each evening, a single shared table becomes the heart of the experience—where like-minded, accomplished guests connect over unforgettable meals and meaningful conversation. Prefer something more private? Intimate dinners can also be arranged at the main restaurant or in hidden corners of the island.

Wellness, redefined

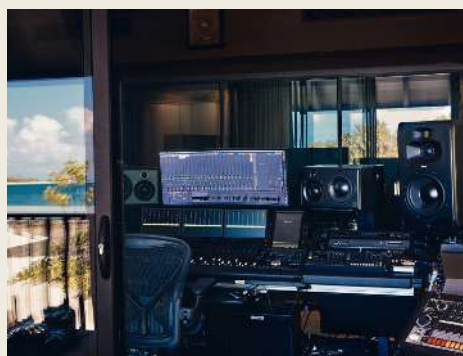

At Nukutepipi, wellness is woven into every moment of your stay. The island's serene spa sanctuary invites you to unwind in a bubbling jacuzzi, awaken your senses in a cold plunge, breathe deeply in a fragrant steam room, or embrace stillness in a traditional wood sauna.

Massage tables await in peaceful corners, where skilled hands deliver personalized treatments inspired by Polynesian traditions and modern techniques. Whether it's a quiet morning ritual or a restorative evening escape, every experience is designed to nurture body and mind. The best part? It's all included.

A playground unlike any other

Hidden within Nukutepipi's untouched beauty are experiences you won't find on any other island. Here, curiosity is rewarded, inspiration is everywhere—and every path leads to something extraordinary.

Music studio

Let inspiration strike where you least expect it. Tucked among the palm trees, Nukutepipi's recording studio is a world-class creative haven, fully equipped for writing, producing, and playing music—whether you're a Grammy winner or simply vibing with friends. No rules, no rush—just you, the ocean breeze, and whatever sound the island brings out of you.

Observatory

Far from the noise of cities and lights, Nukutepipi offers something few places on Earth can: a pristine view of the universe. The island's observatory opens up the night sky with crystal clarity, inviting you to explore constellations, planets, and galaxies through high-powered telescopes. It's not just stargazing—it's perspective.

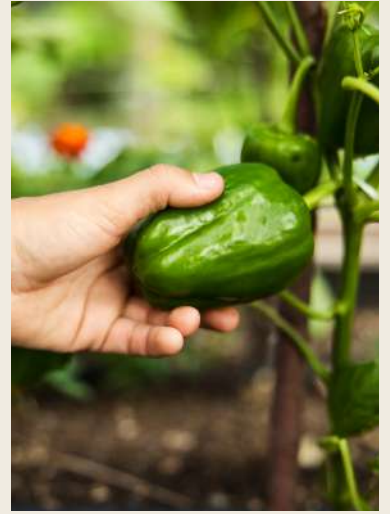

Lookout

At the heart of Nukutepipi's lush, prehistoric jungle stands a lookout tower that offers a panoramic view like no other. Climb above the canopy and watch the island unfold beneath you: the vibrant greens, the hidden paths, the glimmer of the lagoon in the distance. It's the perfect place to reflect, take it all in—or plan your next adventure.

A photograph of two individuals in beekeeping attire. On the left, a person is fully encased in a white protective suit with a mesh face veil and yellow gloves. On the right, another person wears a white t-shirt, a white bucket hat, and a black mesh face veil. They are both looking down at a wooden frame covered in bees, which is being held by the person on the right. The background consists of tall, green grass. In the bottom left corner, there is a text overlay with a title and a paragraph.

Bee therapy

Nukutepipi offers a rare chance to experience bee therapy. Spend time with our expert beekeeper, then drift off in a specially designed hive room, where the calming buzz surrounds you like a natural lullaby. It's not just rest—it's immersion. A peaceful, grounding way to reconnect with nature, unlike anything you've felt before.

Sustainability

Nukutepipi embraces the farm-to-table concept, serving dishes made with the freshest seasonal ingredients sourced directly from the island.

This commitment ensures that every plate showcases the island's bounty with ingredients at their peak ripeness and flavor.
